Goodbye, girls, we're goin' to Boston
Goodbye, girls, we're goin' to Boston
Goodbye, girls, we're goin' to Boston
Earlye in the mornin'.

Won't we look pretty in the ballroom
Won't we look pretty in the ballroom
Won't we look pretty in the ballroom
Earlye in the mornin'.

Saddle up, girls, and let's go with them
Saddle up, girls, and let's go with them
Saddle up, girls, and let's go with them,
Earlye in the mornin'.

Won't we look pretty in the ballroom
Won't we look pretty in the ballroom
Won't we look pretty in the ballroom
Earlye in the mornin'.

Get out the way, you'll get run over
Get out the way, you'll get run over
Get out the way, you'll get run over
Earlye in the mornin'.

Won't we look pretty in the ballroom
Won't we look pretty in the ballroom
Won't we look pretty in the ballroom
Earlye in the mornin'.
