"Sympathy"

Now when you climb
Into your bed tonight
And when you lock
And bold the door
Just think of those
Out in the cold and dark
Cause there's not enough love to go 'round

And sympathy
Is what we need my friend
And sympathy
Is what we need
And sympathy
Is what we need my friend
Cause there's not enough love to go 'round
No there's not enough love to go 'round

Now half the world
Hates the other half
And half the world
Has all the food
And half the world
Lies down and quietly stops
Cause there's not enough love to go 'round

And sympathy
Is what we need my friend
And sympathy
Is what we need
And sympathy
Is what we need my friend
Cause there's not enough to go 'round
No there's not enough love to go 'round
