There's no green land  
Just wasteland  
When God send his blacksmith  
To break the earth  
Or rather to give rebirth  
Now I'm running towards my vision  
I was lead in the right direction  
Waiting  
For a Postdiluvian life in sin  
Life will go on as everytime  
Before  
No matter what will happen  
We will prevail  
And evolution will save us from  
Revenge of nature

There is a green land  
My dreamland  
In absence of rainbows in the sky  
I'm sure you wonder why  
Now I'm running towards my vision  
I was lead in the right direction  
Waiting  
For a Postdiluvian life in sin  
Life will go on as everytime  
Before  
No matter what will happen  
We will prevail  
And evolution will save us from  
Revenge of nature
