Without a goal
A broken soul
Roving without plans
One restless mind
A slumbering town
Unaware of the world around
You can be whatever you want to be
It's up to you and your reality
Catch a dream and hold on to the grip
Sooner or later you will slip
You can be whatever you want to be
It's up to you and your reality
Catch a dream and hold on to the grip
Sooner or later you will slip
Some cheap cliches

A broken trust betray
Is known by you
One puzzle solved
A future clear
Understand the world around
You can be whatever you want to be
It's up to you and your reality
Catch a dream and hold on to the grip
Sooner or later you will slip
You can be whatever you want to be
It's up to you and your reality
Catch a dream and hold on to the grip
Sooner or later you will slip
