What do you do if you wanna go loo in the English  
Country Garden?  
Pull down your pants  
And suffocate the ants in the English Country Garden  
Get a little spade and bury what you made in the  
English Country Garden  
Dig a little hole and fertilize a mole in the English  
Country Garden  
\*Reveal your tush and go behind a bush in the English  
Country Garden  
Crouch in the mud and make a loud thud in the English  
Country  
Garden  
Make them hold their noses when you duck behind the  
roses  
In the English Country Garden  
With a bit of toil you can add to the soil in the English  
Country  
Garden  
With 16 toots you can kill off all the roots in the English  
Country  
Garden  
With a little squeeze you can murder all the weeds in  
the English  
Country Garden  
Do a little poo and the snails can chew in the English  
Country Garden  
Cause a bit of trouble and do it in the rubble in the  
English Country  
Garden  
The flowers'll think you're class when you show them all  
your ass  
In the English Country Garden  
It's coming out the back, in the paving there's a crack in  
the English  
Country Garden  
Dump in the flower bed or maybe in the shed in the  
English Country  
Garden  
Look out for the nettles when you're watering the petals  
in the English  
Country Garden

Leaving muddy puddles can get you into trouble in the  
English Country  
Garden  
Pooing can be fun in a garden in the sun in the English  
Country Garden

\*Me and my mum made these lines up, but we think it  
should be in the  
song! =oP
