I don't know what to do  
Because I'm so in love with you  
And I don't what to say  
Oh sweetie come my way!

And I just want to let you know, know, know, know,  
know, know, know  
That I won't let go, go, go, go, go, go, go, go  
No, no, no, no, no, no, no, no

And I miss your heart  
And I just want to go back to the start  
Yes miss your style  
And I miss your big brown eyes  
And the way you make me smile

And I just want to let you know, know, know, know,  
know, know, know  
That I won't let go, go, go, go, go, go, go, go  
No, no, no, no, no, no, no, no

And every time that you move my  
My heart exploding and you fly away  
I keep the red box close to my heart so we will never be  
apart

And I just want to let you know, know, know, know,  
know, know, know  
That I won't let go, go, go, go, go, go, go, go  
No, no, no, no, no, no, no, no

And every time that you move my way  
My heart exploding and you fly away  
I'll keep the red box close to my heart so we will never  
be apart  
And every time that you move my way  
My heart exploding and you fly away, you fly away...  
I'll keep the red box close to my heart so we will never  
be apart

And I just want to let you know, know, know, know,  
know, know, know

That I won't let go, go, go, go, go, go, go, go  
No, no, no, no, no, no, no  
And I just want to let you know, know, know, know,  
know, know, know  
That I won't let you go, go, go, go, go, go, go, go  
No, no, no, no, no, no, no

I will not let you go!
