Give me one reason to stay here - and I'll turn right
back around
Because I don't want leave you lonely
But you got to make me change my mind
Baby I got your number and I know that you got mine
But you know that I called you, I called too many times
You can call me baby, you can call me anytime
But you got to call me

Give me one reason to stay here - and I'll turn right
back around
Give me one reason to stay here - and I'll turn right
back around
Because I don't want leave you lonely
But you got to make me change my mind

I don't want no one to squeeze me - they might take
away my life
I don't want no one to squeeze me - they might take
away my life
I just want someone to hold me and rock me through
the night

This youthful heart can love you and give you what you
need
This youthful heart can love you and give you what you
need
But I'm too old to go chasing you around
Wasting my precious energy

Give me one reason to stay here - and I'll turn right
back around
Give me one reason to stay here - and I'll turn right
back around
Because I don't want leave you lonely
But you got to make me change my mind

Baby just give me one reason - Give me just one
reason why
Baby just give me one reason - Give me just one
reason why

I should stay because I told you that I loved you
And there ain't no more to say
