Oh, she may be weary  
Young girls they do get weary  
Wearing that same old shaggy dress, yeah yeah  
But when she gets weary  
Try a little tenderness, yeah yeah

You know she's waiting  
Just anticipating  
For things that she'll never, never, never, never  
possess, yeah yeah  
But while she's there waiting,  
Try a little tenderness (that's all you gotta do)

It's not just sentimental, no, no, no  
She has her grief and care, yeah  
But the soft words, they are spoke so gentle, yeah  
It makes it easier, easier to bear, yeah

Oh you won't regret it,  
Some girls they can't forget it  
Love is their whole happiness,  
It's all so easy  
All you've gotta do is try, try a little tenderness,  
Try to, try to  
Hold her, squeeze her, never leave her  
Try a little tenderness, ooh yeah yeah yeah  
All you've gotta do is hold her, squeeze her, never  
leave her  
Just just just  
Just try a little tenderness  
Just never leave her  
Got to, got to, got to  
Try, just try a little tenderness

Tenderness...
