I keep on asking myself; what went wrong
Why were we fighting for so long
Was the river of love running dry
Was a wicked storm passing by

Oh baby I wonder
If I die tonight
Would you die
Would you cry for me
If I die tonight
Would you shiver
Bleed and suffer for me
If I die tonight
Would it tingle
Oh would it even tickle you
If I die tonight, if I die tonight
Would you, would you

While you're sleeping on my broken heart
And silence drifts us wide apart
I dream chills growing all over me
But head under sand you can't see

So baby I wonder,
If I die tonight
Would you die
Would you cry for me
If I die tonight
Would you shiver
Bleed and suffer for me
If I die tonight
Would it tingle
Oh would it even tickle you
If I die tonight, if I die tonight
Would you, would you

Why do I still care
'Cause I wanted to share
Everything with you
How I wanted to forgive you

If I die tonight
Would you die
Would you cry for me
If I die tonight
Would you shiver
Bleed and suffer for me
If I die tonight
Would it tingle
Oh Would it even tickle you
If I die tonight, if I die tonight
Would you, would you
