CAPO 2

PALM MUTE THROUGHT OUT THE SONG

VERSE 1:

If I wanted to say to you  
That I wanted to see your face again  
That I wanted to hear you laugh out loud  
In spite of all the damage I've done

If I wanted to hear you talk ohh no  
Or to hear your sense of things  
Or to call you up on a sunday morning  
In spite of all the damage I've done  
Well I broke up our home  
And left you wilting  
Yes, I broke up our home  
And left you wilting

INSTR:

Well I'm living out my days away  
I think you understand that I  
Couldn't have stayed  
Well I like to hear you laugh out loud  
In spite of all the damage I've done  
In spite of all the damage I've done  
Well I broke up our home  
And left you wilting  
Yes, I broke up our home  
And left you wilting
