Yall ride 18's, we ride 26's  
Big truck, big wheels rollin' ova ditches  
Crome rims, loud pipes heated like a kitchen  
Ice chain, ice watch gettin' at these bitches  
Yall ride 18's, we ride 26's  
Big truck, big wheels rollin' ova ditches  
Crome rims, loud pipes heated like a kitchen  
Ice chain, ice watch gettin' at these bitches

I'm the wrong balla to flex with  
Diamond stud earrings and neckless  
And my truck on 26's driving reckless  
Got a pound yep and on my way to Texas  
Yep I'm on there throwing up my set shit  
Spinna's with the color trim ho's breathless  
Paint shinning brite like morning breakfast  
Once I slide up in the party, pull the best fits

Yo chick still want me even though she pregnant  
Run game on a trick like check this  
She seen the ATM receipt and got wet shit  
She in a Lexus told her park her whip  
270 I'm 'bout to exit  
I can bet a grip she work her hands and lips  
Like a porno star who cares if her man a trip  
I can handle it, it's so scandalous

Yall ride 18's, we ride 26's  
Big truck, big wheels rollin' ova ditches  
Crome rims, loud pipes heated like a kitchen  
Ice chain, ice watch gettin' at these bitches  
Yall ride 18's, we ride 26's

The bitches had me gone but the money brought me

Got cars and trucks all type of stuff  
And a H3T if that ain't enough  
'Bout to hit the park with a 12 pack getting drunk  
Hataz breaking they neck 'cause they know whats up
