Like a dodgy blunt (ho) Â– pick'in thrown off the side

*[Chorus:]*

To all my hustla niggas

Ball-N (ball-n)

To all you bitch ass niggas we gonna do it again

I got kin (kin) / I got friends (friends) / Think'in the river

don't stop with the mens (?)

To all my hustla niggas

Ball-N (ball-n)

To all you bitch ass niggas we gonna do it again  
I got kin (kin) / I got friends (friends) / Think'in the river  
don't stop with the mens (?)

(whoo Â– oo Â– oo)

*[Verse Two:]*

Do'in it like Donald Trump  
I'm send'in this one to the women with body

And all my hustla's with the grill front  
Thats got check / But it ain't gonna last for four months  
Bought a chain Â– that's some cardy-? of grain (get it  
main)  
Don't stunt / Get wit my beats in the four blunts-?  
Leave with your cunt  
Heads up Â– must of broke one  
Yeah it's official now (Â… official now) / Blow your  
whistle now (Â… whistle now)  
I got a rifle to tell 'em blow your whistle now-?  
When I'm chill'in (when I'm chill'in) / Half fill'in (half  
fill'in)  
Real good watch'in flat screens on the ceil'in  
Big wheel'in (big wheel'in) / Quarter melon (quarter  
melon)  
Three hundred c Â– plus tar-? spill'in ? (bitch!)

*[Chorus:]*

To all my hustla niggas  
Ball-N (ball-n)  
To all you bitch ass niggas we gonna do it again  
I got kin (kin) / I got friends (friends) / Think'in the river  
don't stop with the mens (?)  
To all my hustla niggas  
Ball-N (ball-n)  
To all you bitch ass niggas we gonna do it again  
I got kin (kin) / I got friends (friends) / Think'in the river  
don't stop with the mens (?)

*[Verse Three:]*

But it depends (Â… it depends) / On how I feel (Â… how  
I feel)  
And how you been in the past either your fake or your  
real  
I don't deal / With whole niggas  
Cuz whole niggas they / Hamper-? Dre like they're  
bigger than they really are  
Ride'in in my fast car like Tracy Chapmen  
I'm simply rapp'in  
Given the world pure satisfaction

If action is what you like to do  
Then play your role  
Cause I'm tired of niggas com'in in my life (play 'em  
whole.-?)

*[Chorus x1]*
