Turn it up so they can hear this. It's Full Surface, y'all.

[VERSE 1]

These niggaz wanna act like Cass, wanna stack like  
Cass  
Wanna copy my gear, wear they hat like Cass  
Then they try to spit it on a track like Cass  
But niggaz hear the track and say, ("That's not Cass!")  
Cats don't be clappin' wit the gat like cass  
One she'll make back crack like crabs  
Ya flow played out, you been wack like plaid  
I peel bills and they come back like scabs  
The hoes know won't nobody mack like Cass  
Lay the pipe and hit it from the back like Cass  
The chain hang, diamonds in that like glass  
This crap life switched to the rap life fast

[CHORUS 2x]

From the block to the studio back to the block  
Yeah I rap over packs on the block  
I'm husslin' (All night long!)  
I'm husslin' (To the break of dawn!)  
Come on!

[VERSE 2]

These niggaz wanna shop like Cass, play the block like  
Cass  
Wanna copy my flow so they hot like Cass  
Niggaz try and get it on lock like Cass  
But niggaz hear ya shit and say, ("That's not Cass!")

You don't take bullets out the box like Cass  
Load guns that hold a hundred shots like Cass  
Roll like Cass, stroll like Cass  
Got the blimp that be pimpin' all the hoes like Cass  
Niggaz don't be sittin' in the Rov like Cass  
Wit the Rolls gold, got they wrist froze like Cass  
Who can play the strip and get it sold like Cass

This rap life done switched to my old life fast

[CHORUS 2x]

From the block to the studio back to the block  
Yeah I rap over packs on the block  
I'm husslin' (All night long!)

Come on!

[VERSE 3]

These niggaz want a brick like Cass to get rich like  
Cass

Name two niggaz you could find like us  
Wit the hard beats and the hard rhymes like us

[CHORUS 2x]

From the block to the studio back to the block
