I, I love the colorful clothes you wear  
And the way the sunlight plays upon your hair  
I hear the sound of a gentle rain  
On the wind that lifts her perfume through the air

Whats up lil mama  
you know i been peepin you out right  
you look good  
im just tryn to get to know ya  
it aint like that  
why dont you come round

In the hood where i met ya  
See i didnt wanna sweat ya  
Though I knew i had to catch ya  
Determined thats why i met ya  
My homies on you too  
So they say i cant get ya  
Yeh i know i can cos them fools too disrespectful  
Your swags stay on point, you pass by me I gotta check

Just tryna chat lil mama no need to give you a lecture  
Maybe happiness wake up in the morning with bed &  
breakfast  
With rose petals no pressure attached with a love letter  
(ya dig?)  
I keep ya blushing bout the walk off so I guess  
Heard this once before but them lames i dont stand  
next to  
Just see the signs from god  
I could be the one to bless ya  
Turn your life around (yeah)  
Im different from all the rest of them fools who run  
game just to get in your frame

Im not gon waste your time  
So baby ima start with this

I, I love the colorful clothes you wear  
And the way the sunlight plays upon your hair  
I hear the sound of a gentle rain  
On the wind that lifts her perfume through the air (2x)

No, i know i know i know you probably been hurt a  
couple times  
That aint why im hurr  
Im hurr to make sure you dont get hurt  
You understand  
Ima put the cards in your hand  
Whatever you wanna do, im down to do too

I seen you round a couple times  
I was with a couple dimes  
And damn you so fine  
I had to drop a couple lines  
But your friends say he a rapper  
They no good pay him no mind  
If theres something good in your face hold on to it dont  
be blind  
I sturr at you in the club so i sent you a glass of wine  
Im just tryna show you love get with me girl and we  
could shine  
See i practice what i preach  
I could take you out the streets  
Have you travelin round the globe stayin at seven star  
suites  
Lloyd

Since fried by the sun rays  
That there was a rainy day  
This one's shinin so fine  
I'm just on a one way  
Lookin for a pretty place  
Pretty face has some big thighs  
The words that you can say

That can never change the way  
That I feel on the inside  
You can try to get a life  
Civilized, stop livin trife  
Every time that you pass by (2x)

Lloyd, talk to her for me  
Lloyd, talk to her for me dirty  
That's right, that's right  
I told you im hurr for you baby, its really real  
So when you ready to do this  
Holla at me girl (yeah yeah)
