Uh  
Hey, Dirty (What)  
Look at that girl right there  
She make me say

Ooh, ooh, ooh, ooh  
Ooh, what you do

I like the way you do that right thurr (Right thurr)  
Swing the hips when youre walkin, let down your hair  
(Down your hurr)  
I like the way you do that right thurr (Right thurr)  
See, your lips when youre talkin that make me stare  
(Make me sturr)

I like the way you look in them pants, sho youre fine  
Lil mama a poor piece, she far from a dime  
The type of girl thatll get you up and go make your  
grind  
Dont think about snatchin her up, Dirty, makin her mine  
Look at her hips (Butt), look at her legs, aint she  
stacked  
I sho wouldnt mind hittin that from the back  
I like it when I touch her cause she moan in the bed  
Jeans saggin so I can see her thong on the bed  
I know you grown a bit, 20 years old, you legal  
Dont trip off my people, just hop in the Regal  
I swooped on her like a eagle, swooped down as prey  
I know you popular, but you gon be famous today

I say I like the way you do that right thurr (Right thurr)  
Swing the hips when youre walkin, let down your hair  
(Down your hurr)  
I like the way you do that right thurr (Right thurr)  
See, your lips when youre talkin that make me stare  
(Make me sturr)

I like the way you do that right thurr (Right thurr)  
Swing the hips when youre walkin, let down your hair  
(Down your hurr)  
I like the way you do that right thurr (Right thurr)

See, your lips when youre talkin that make me stare  
(Make me sturr)

See me stoppin at front knock, just look at her front  
back

Man, shes so stacked and she know that I want that

Her man hes so whack, girl, can I take no tack

Gave her 300 hundred to strip like buyin a throwback

She stay in the club, black girls be sayi
