(feat. Lil' Wayne)

[Hook:]

Make Make Make Make Make Make Make
Make that money imma take that money
Make that money imma take that money
Make that money imma take that money
Make that money imma take that money
Make that Money
Make Make that Money
Make Make that Money
Make Make that Money
Make Make Make Make Make that Money
Make Make Make that Money
Make Make Make that Money
Imma take that money

[Verse 1:]

Lil Lady do you
This scene new to
10 stacks of blue proof
leave ya chaka zulu
whats goin' for a minute
back with the crew who
DTP so if you on top
we came to move you
The flow hypnotize these broads
call it voodoo
So if she with it
We run a ***** like cho cho
I run with lions boy
Turn this club into a zoo
In ATL I keep a chick that looks like new new
All these bad dames
How I'm goin be liking one
Yall still make it rain
I make it lightning son
Outta him him and him
I'm the nicest one
Baby keep doin that
And these hundreds you might get one

[Hook:]

Make that money imma take that money (yea)
Make that money imma take that money (yea)
Make that money imma take that money (yea)
Make that money imma take that money (oh a ha ha)
Make that Money
Make Make that Money, she goin
Make Make that Money
Make Make that
Make Make Make Make (let her) Make that Money
Make Make Make that Money (Baby girl over there
staring watch how I get at her)talk
Make Make Make that Money (yea)
Imma take that money

[Verse 2:]

You can catch me in the A now
I'm like hey now
Magic city Monday's
Mama drop it way down
Say now im playin with grands
Its ok now
Raise your \$\$\$ up a little
And put your face down
This my song right hurr
Girl move ya waist round
Not to fast not to slow
At a nice pace now
I was something like a king
More like an ace now
Had splurge in they payment money
Them dudes straight clowns
Used to use shoeboxes
Paper in a safe now
Couldn't afford a tall can
Now bottles by the crates now
Do yo Do yo
Do yo thang lay down
Creeps call me crylon
Cuz Green I can spray now

[Hook:]

Make that money imma take that money (yea)
Make that money imma take that money (yea)
Make that money imma take that money (yea)
Make that money imma take that money (oh a ha ha)
Make that Money
Make Make that Money, she goin
Make Make that Money
Make Make that
Make Make Make Make (let her) Make that Money

Make Make Make that Money (watch her)
Make Make Make that Money (yea)
Imma take that money

[Verse 3:]

Make it clap now
Make it clap now
Make it clap now
Bring it back now
Toot it up a little
Toot it up a little
Toot it up a little
Bad broads in the middle
Drop it to the flo
Drop it to the flo
Drop it to the flo
Drop it real drop it real low
Yea there you go
Baby there you go
There you go
Not to fast but to slow now

[Hook:]

Make that money imma take that money (yea)
Make that money imma take that money (yea)
Make that money imma take that money (yea)
Make that money imma take that money (oh a ha ha)
Make that Money
Make Make that Money, she goin
Make Make that Money
Make Make that
Make Make Make Make (let her) Make that Money
Make Make Make that Money (watch her)
Make Make Make that Money (yea)
Imma take that money
Make that money imma take that money
Make that money imma take that money
Make that money imma take that money
Make that money imma take that money
Make that Money
Make Make that Money
Make Make that Money
Make Make that
Make Make Make Make Make that Money
Make Make Make that Money
Make Make Make that Money
Imma take that money
