Get outta line wit me partner Ima check yo ass
Yeah, I'm fresh to death, so baby, check my swag

That Rolls Royce seem to be them hoes choice
They love the luxury 'cuz it get 'em so moist
Navigation, one button activated by a voice
You can call me the king 'cuz I got so many toys

My favorite designer Louis Vuitton, Ima shiner
Cocky, kinda true as a don big timer
Rocks will blind ya, yeah, I'm the bomb street grinder
Cocked the niner now, you folks now, ya time up

When I'm in L.A., Mista Chize I rub back
ATL, I'm adjustin' wit a chick, how you love
that?
Flash 100 large, make a bet where you scrubs at
I'm the youngest in charge 26 s them dubs
wack

They spinin' 24 s when they sell me the
cut back
Real cats get down, fake cats get mugged, rat
Baby got back now, no mama, can I rub that?

Ima hustla with clout, ya dig? She dug that

Wanna be my boo? Plus they caked up
Just stay up on ya fashion, always be draped up
And just know this, ya man about paper
And when I talk listen, hey, fuck them haters

Oh, you like Shennel, I can take you to meet her
Heels and sandals, baby, you done wearin' sneakers

Business I handle, heads turn when they see us
And if they don't know, we gonna make 'em
some believers

Juicy Couture, I can see you in that too
Never wear nothing twice, everything brand new
Hey, keep your hair done shape right and nails nice
Stay flawless in public if you wanna be my wife

Them other broads say but, hey let them hoe
They just mad because I don't sweat them
hoes

'Cuz they mad broke and I get them hoes
My swagga tight and my sway penny rolls
