Yeah yeah
DTP, how we do
Call you and you can call me
Whatever you wanna do baby

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my baby)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my lady)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my baby)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my lady)
I'm only one call away

It was weird how we met, huh, she was wit her mom in
Bank America
I'm wit my son cashin' the check
So I asked outta respect, would she like to explore the
world or buy
We can fly in my jet

Her reply was, "Yes, can I ask you sumpin'?"
I seen it in her eye, mama lookin' like all I wanted was
sex
Scene moved to the next that is true but it was
something
About this girl's style that make me feel no regrets

We started off casual, walks through the park
Candle light dinners by dark, I'm thinkin' smart
Of course she might think I'm in a rush

To touch, clutch and be up, but baby I ain't on that stuff

Dropped her off and told her call me up, we can talk
Conversate about political subjects whatever's thought
So I zoomed off, lookin' by and my phone rang
It was her in the shower, she said, "I couldn't do without
ya"

Then I said

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my baby)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my lady)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my baby)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my lady)
I'm only one call away

The next day I'm with the fellas at the case playin' ball
Here she comes wit her friends they posted up on the
wall
Now I'm showin' off, trynta dunk trynta dribble break
fast
Through the middle just to see her smile and giggle

Game over I punched her wit a kiss on the cheek
The homeboys lookin' at me sayin', "Lil Howard you
weak"
But you know how that go, what I got they want
What I got I flaunt, never mess wit it, please don't

Told her, "I'm going home", she asked can she go too
I'm like, "Yeah boo, I can't see me without you"
Got thur, I took a shower jumped out she in the bed
With a see-through thong said I looked at her and said

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my baby)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my lady)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my baby)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my lady)
I'm only one call away

Girl recognize game, before game recognize you
You're dealin' wit a player, true, now whatchu wanna
do?
We can kick it and go puff on a blunt
Oh, you don't smoke? Grab a pint of Hen' then we can
get drunk

It's up to you, I'm the man but baby just let me know
'Cuz if you got an attitude I could treat you just like a
hoe
Get to rollin' wit me baby, hop in there's enough room
We can gaze at the stars that shine like the moon

Gimme a chance to show ya, and a chance to know ya
Just be true, and there's nothing I won't do, for ya
Some women like to play it foul
But them the kind I put in the place of a child
Don't worry be happy and smile and

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my baby)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my lady)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my baby)
I'm only one call away

(You, could, roll, wit, me)

You call if you wanna bump over me
(And you was my lady)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my baby)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my lady)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my baby)
I'm only one call away

(You, could, roll, wit, me)
You call if you wanna bump over me
(And you was my lady)
I'm only one call away
