Ooh, yea yea  
DTP, how we do  
Call you and you can call me  
Whatever you wanna do baby

(You could roll wit me)  
Give me a call if you wanna come roll with me  
(If you was my baby)  
I'm only one call away  
(You could roll with me)  
Give me a call if you wanna come roll with me  
(If you was my lady)  
I'm only one call away

(You could roll wit me)  
Give me a call if you wanna come roll with me  
(If you was my baby)  
I'm only one call away  
(You could roll with me)  
Give me a call if you wanna come roll with me  
(If you was my lady)  
I'm only one call away

It was weird how we met, huh  
She was wit her mom in Bank America  
I'm wit my son cashin' the check  
So I asked outta respect  
Would she like to explore the world or buy ?  
We can fly in my jet

Her reply was "Yes, can I ask you sumpin?"  
I seen it in her eye, mama lookin' like all I wanted was  
sex  
Scene moved to the next that is true but it was  
something  
About this girl's style that make me feel no regrets  
We started off casual walks through the park  
Candle light dinners by dark, I'm thinkin' smart

Afraid she might think I'm in a rush  
To touch, clutch and be up, but baby I ain't on that stuff  
Dropped her off and told her call me up, we can talk

Conversate about political subjects whatever's thought  
So I zoomed off, lookin' by and my phone rang  
It was her in the shower she said, "I couldn't do without  
ya"  
Then I said

(You could roll wit me)  
Give me a call if you wanna come roll with me  
(If you was my baby)  
I'm only one call away  
(You could roll with me)  
Give me a call if you wanna come roll with me  
(If you was my lady)  
I'm only one call away

(You could roll wit me)  
Give me a call if you wanna come roll with me  
(If you was my baby)  
I'm only one call away  
(You could roll with me)  
Give me a call if you wanna come roll with me  
(If you was my lady)  
I'm only one call away

The next day I'm with the fellas at the cage playin' ball  
Here she comes wit her friends they posted up on the  
wall  
Now I'm showin' off, tryin' a dunk tryin' a dribble break  
fast  
Through the middle just to see her smile and giggle  
Game over I approached her wit a kiss on the cheek  
The homeboys lookin' at me sayin', "Lil' Howard you  
weak"

But you know how that go, what I got they want  
What I got I flaunt, never mess wit it, please don't  
Told her "I'm going home" she asked, "Can she go  
too"?  
I'm like "Yeah boo, I can't see me without you"  
Got thurr, I took a shower jumped out she in the bed  
With a see-through thong said I looked at her and said

(You could roll wit me)  
Give me a call if you wanna come roll with me  
(If you was my baby)  
I'm only one call away  
(You could roll with me)  
Give me a call if you wanna come roll with me  
(If you was my lady)  
I'm only one call away

(You could roll wit me)  
Give me a call if you wanna come roll with me  
(If you was my baby)  
I'm only one call away  
(You could roll with me)  
Give me a call if you wanna come roll with me  
(If you was my lady)  
I'm only one call away

Girl recognize game, before game recognize you  
You're dealin' wit a player, true  
Now whatchu wanna do?  
We can kick it and go puff on a bluuunt  
Oh you don't smoke? Grab a pint of Hen' then we can  
get drunk  
It's up to you, I'm the man but baby just let me know  
'Cuz if you got an attitude I could treat you just like a  
hoe

Get to rollin' wit me baby, hop in there's enough room  
We can gaze at the stars that shine like the moon  
Gimme a chance to show ya, and a chance to know ya  
Just be true, and there's nothing I won't do, for ya  
Some women like to play it foul  
But them the kind I put in the place of a child  
Don't worry be happy and smile and

(You could roll wit me)  
Give me a call if you wanna come roll with me  
(If you was my baby)  
I'm only one call away  
(You could roll with me)  
Give me a call if you wanna come roll with me  
(If you was my lady)  
I'm only one call away

(You could roll wit me)  
Give me a call if you wanna come roll with me  
(If you was my baby)  
I'm only one call away  
(You could roll with me)  
Give me a call if you wanna come roll with me  
(If you was my lady)  
I'm only one call away
