(Feat. Bobby Valentino)

Remember the first time we met...  
Remember when you told me that you cared...

[Bobby Valentino]

Girl I remember you took mah heart from the start  
We never b apart no  
Cause I remember holdin hands in the park  
In the middle of the villa talkin  
Girl I remember like it was yesterday we never played  
no games nah...  
Now I don't know who you are...  
Now I don't know who you are no...

[Chingy:]

Let me talk to you for a minute baby  
Hey look hey baby  
Remember when we was like the sun  
Always shinin bright baby we was one  
Remember when I would hold yo hand walk you  
through the park tell you I'm yo man  
Remember when it would rain outside we'd stay in and  
hv sex all night  
Remember when you kept it real for me  
My phone was off you had my back and paid the bill for  
me  
Remember that if not then remember this  
The second time you came to see me was our first kiss  
Remember that if not try to think back  
When I saw you first I winked and you winked back  
You got me off track baby remember that

[Bobby Valentino:]

Girl I remember you took my heart from the start  
We never be apart no  
Cause I remember holding hands in the park in the

Do you remember all them lonely nights  
I would leave ya home me I'm on a flight  
Do you remember saying bye baby knowing in back of  
ya head you're like why baby  
Do you remember going out that night  
I called you you said you was going out  
That's right  
Do you remember when I came home the next day  
bought you some roses cause it seemed long  
Do you remember acting kinda awkward  
I washed our clothes and a number fell out ya pocket  
Do you remember why it seemed crooked  
Said you wanted him to get out ya face that's why you  
took it  
I don't believe that you did it before  
I remember baby
