Song Title: Too Much Funn

Written By: M Rap and CHIKI copyright

V1

Spent too much time on my computer today
I need to turn it off and get away

Just get out, I'm going out
Am
Out of my mind

Turn off the TV, don't answer the phone
You're too young to wanna stay at home

Just go out, yeah, get out
Out on the floor

Chorus

CMaj, F#Maj, FMaj, Fm, Am, F#Maj, FMaj, GMaj, G#Maj,
Am
I need an intervention
Uh oh Uh oh
I'm like a loaded gun
I'm having too much fun

V2

Lisa texted me; she said what do ya think
Tina found a place, I'll send you the link

We go out, we'll get out,
Out on the floor

We showed up; yeah, this place is sick
Tina found it so tonight she's the chic

We're coming out, staying out
Out on the floor

Chorus
I need an intervention
Uh oh Uh oh

I'm like a loaded gun
I'm having too much fun
V3
I'll dance with you I'll dance all by myself
You never find me high up on a shelf

I'm coming out, staying out
Out on the floor

You know you're in it when you're feeling the beat, just
like a rock shooting out of your seat

Staying out, lets stay out,
Out on the floor

Chorus
I need an intervention
Oh oh oh oh oh
I'm like a loaded gun
I'm having too much fun

V4
People Tell me Chiki, you're immature
Why stop at sixty, when you got fifty more

Just get out, yeah, get out,
Out of your mind

Repeat Chorus, out
