Im a git it boy so you know i need a git it gurl  
Its tha nigga m gang im gonna put it in your world  
Sooth me gurl so why dont you pop that thang  
And if a hater wanna trip yeah i shot that thang

She into nail pumps  
Ho's duck when she jump  
Dont need a push up bra her titties already plump  
See me in the 300 in my musump leanin'  
It starts with me take a look wrist how it how beamin

You a git it girl, baby  
I know ur fire, cuz u made me do a 180  
Now come around and twist the crown to the sound  
lady  
Its super man like my nickname was Slim Shady

From the twist u just gave me

She accessive look at her extra manziem  
Dem other niggas trippin'  
Im gonna bring her right to her knees  
She chose me im a don call me don call lee on  
Im a pimp nigga im gonna bring a bitch to my bone

Shake it gurl  
Either move it or lose it  
Im still rated R

Thats why i gotta problem with choosin  
Come to tha room or me and pooke gonn' be brusin  
Cuz ya know im blessed with what they call exclusive

Get it boiz or you'll be dieing fo' sho'  
We be rawlin ijamine got me stallin  
Ching a ling he post it up  
Wanted booze he got a cup  
And tha ladies they on tha couches  
Which they know they want a cunt treat

Me verse you  
Thats no contest  
Your girl chose soon as we stepped on deck  
Cuz im a mission request  
In a position to check  
Anybody think that they can tenden with us

Somebody tell her that i bang cock  
See baby i make the bed rock  
U know the name money slang but these langs not  
Take a picture her frame hot  
When she pass by man the game stop

Figure eight her shape  
Toes showin out tha heels  
Yep I got a few hundred lemme see u post skills  
When Im in Atlanta, magic city the spot  
I tripped three thousand that aint nottin once you see  
what i got
