Hey, what's up? Ooh Chingy
You ain't been talkin' to me for a couple of days
But it's all good, I just wanted to let you know that
I know, I do some things that's wrong
You do some thing that's wrong, you know what I'm
sayin?

We ain't perfect, we all make mistakes
Nah, nah, nah, hold on, I'm talkin' to you
Don't just be tellin leave and stuff like that
I'm talkin' to you, I'm tryna make things better for me
and you

Just me and you, ew Chingy
Don't matter what we go through
Just me and you
We don't need nobody else

Just me and you, ew Chingy
I'ma always be down for you
Just me and you
So don't worry bout a damn thang, oh

Just me and you, I feel you baby
I'ma take out my time
To, get you love, show you love
And accept you for who you are
Both of us, I trust you, you trust me
I ain't worried about nothin'

Now that we together girl the light's so bright
It took a little time but now the feelin' so right
Remember when I snuck through your window at night?
Bringin' you flowers and candy

Me and you sippin' on brandy
Plus I appreciate the love on sight
(Big time)
Huggin' me, holdin' me, fix dinner, so polite
(Thank you baby)
Even when them stupid pigs was tryna sue me

Forget about friends and family, you the one that knew
me
The way you smile at me, keep me feelin' alright
This ain't about furs, fancy cars, or ice
So I'm dedicatin' this to my female friend
Sincerely yours, words can't express my feelings within

Just me and you, ew Chingy
Don't matter what we go through
Just me and you
We don't need nobody else

Just me and you, ew Chingy
I'ma always be down for you
Just me and you
So don't worry bout a damn thang, oh

I know, that's why, that's why I'm takin' the time out
That's why I'm takin' the time out to talk to ya
You say we don't never talk no more
It's all hurr, anything you go to ask me
This the time, it's me and you right?
It's on, ya know, I ain't gon' disrespect you no more

We human so we gon' fight and fuss at each other
He told me you trippin', but girl don't worry about my
brother
We have a argument, it drive me to go out
(I'm gone)
You my flesh, so me and another woman won't rout

I'm thinkin' about the times when you flew to my house
Gonna give you everything, you want this man ain't a
mouse
Am I cheatin'? Hell naw, hope you got no doubts
Rose petals in the tub, baby unbutton that blouse
(Wait)

Better yet, come on you'll hold me, let's eat at Mr.
Chow's
Know you love me when you mad, you don't get loud
So I'm dedicatin' this to my female friend
Sincerely yours, words can't express my feelings within
(If you was my baby)

Just me and you, ew Chingy
Don't matter what we go through
Just me and you
We don't need nobody else

Just me and you, ew Chingy

I'ma always be down for you
Just me and you
So don't worry bout a damn thang, oh

Basically, what I'm sayin' is I don't wanna lose ya
I know you, sometimes I come in the house, you be like
Where ya been? I tell ya, I'm, I'm comin' from the studio
Let me explain to ya though, it's just the truth though

Know what I'm sayin'?
Let me explain why I really care about us
(I ain't cheatin')
I ain't creepin', I ain't playin, it's just me and you

I like your style, your grace, your beautiful face, your
essence
(That's true)
Your size, your shape, this beautiful place, a blessin'
Your weight, your waist, your delicious taste, perfectin'
Your height, your sight, with my life as your protection

So sweet like candy, let's raise a family in Miami
Where the beach so sandy, toast two champagne
glasses, you and me
Your scent, like the smell of fresh air relief
And for you I go over my budget, no I ain't cheap
(Yep)

Can't stop grindin' 'til I get hurr record to the top
Just know you on my mind, every second on the clock
Tick tock, if you ever need help, scream
(Janet, ooh)
And I come runnin' for my life, to trade it in for your
dreams

Just me and you, ew Chingy
Don't matter what we go through
Just me and you
We don't need nobody else

Just me and you, ew Chingy
I'ma always be down for you
Just me and you
So don't worry bout a damn thang, oh

Just me and you, ew Chingy
(Trak Starz)
Just me and you
Just me and you, ew Chingy
Just me and you

Just me and you, ew Chingy
(Trak Starz)
Just me and you
Just me and you, ew Chingy
Just me and you

Just me and you, ew Chingy
(Trak Starz)
Just me and you
Just me and you, ew Chingy
Just me and you
