

Chingy Feat. Lil' Wayne "26's"

Visit "[26's](#)" on MotoLyrics.com

Y'all ride 18's we ride 26's
Big truck, big wheels, rollin' ova ditches
Chrome rims loud pipes heated like a kitchen
Ice chain, ice watch, gettin' at these bitches

Y'all ride 18's we ride 26's
Big truck Big wheels rollin' ova ditches
Chrome rims loud pipes heated like a kitchen
Ice chain, ice watch, gettin' at these bitches

I'm the wrong balla to flex with
Diamond stud earrings and necklace
And my truck on 26's driving reckless
Got a pound yep and on my way to Texas

Yep, I'm on there trowing up my set shit
Spinnas with the color trim ho's breathless
Paint shinning brite like morning breakfast
Once I slide up in the party pull the best bitch

Yo, chick still want me even though she pregnant
Run game on a trick like check this
She seen the ATM receipt and got wet with shit
She in a Lexus told her park her whip

270, I'm 'bout to exit
I can bet a grip she work her hands and lips
Like a porno star who cares if her man a trip
I can handle it its so scandalous

Y'all ride 18's we ride 26's
Big truck Big wheels rollin' ova ditches
Chrome rims loud pipes heated like a kitchen
Ice chain, ice watch, gettin' at these bitches

Y'all ride 18's we ride 26's
Big truck Big wheels rollin' ova ditches
Chrome rims loud pipes heated like a kitchen
Ice chain, ice watch, gettin' at these bitches

I got them thing conpocky on a rubber band skinny
I pull up laughing at another man 20's

Yep the younger man i run the dam city
I gotta pocket fulla hundreds fifty's rubber band 20's

Peep the shoes these is huge
I'm probably on the service road nigga speeding in
cruise
I bleed and bruise of reaching fools so don't reach
You ain't talking bout money then don't speak

Don't preach church don, wan' taught me that
The bitches had me gone but the money brought me
back
I'm seeing chrome and I do them runs flat
President tent front back

Man I wish them old B P's come back but I roll on 'em
Hundred spoke big D's triple gold homie
No homie my rims ain't twizzles
But don't get it twisted them is 26's

Y'all ride 18's we ride 26's
Big truck Big wheels rollin' ova ditches
Chrome rims loud pipes heated like a kitchen
Ice chain, ice watch, gettin' at these bitches

Y'all ride 18's we ride 26's
Big truck Big wheels rollin' ova ditches
Chrome rims loud pipes heated like a kitchen
Ice chain, ice watch, gettin' at these bitches

Vroom vroom, hear me start it up
Let the Louis Vuitton interior soak plus
With the red piping
Got to ho's diking

Dirty try to jack me, yes I'll bust
Got cars and trucks, all type of stuff
And a H3T, if that ain't enough
Bout to hit the park with a 12 pack getting drunk

Hataz breaking they neck, 'cause they know whats up
I'm posted up with 4 toasters bra
Test me faget if you think I'm a joke to ya
All my cats ride big in the lou, you know

Should be against the law the way I floss sew me ho
B A L L A me, Giovanni keep these walls going crazy
Big baby I'm the same G
Add another Tre to that 23 'cause

Y'all ride 18's we ride 26's

Big truck Big wheels rollin' ova ditches
Chrome rims loud pipes heated like a kitchen
Ice chain, ice watch, gettin' at these bitches

Y'all ride 18's we ride 26's
Big truck Big wheels rollin' ova ditches
Chrome rims loud pipes heated like a kitchen
Ice chain, ice watch, gettin' at these bitches
