Ya eya eee yea
Tu neel samundar hai- 2
Main reth ka saahil hoon -2
Aaghosh mein le le
Main der se pyaasi hoon
[ek saudsa raat ka, ek kaudi chaand ki
Chaahe toh choom le, tu todi chaand ki] - 2
Ek chaand ki kashthi mein chal paar utarna hai
Tu halke halke khenaa dariyaa nAa chalke
[mayya mayya gulabi taaren chun le saare chun
Maaya mayya ki jism ke pardon mein dardon ke
maarey chunle] - 2

Aab neel samunder jaage
Aaghosh me lekar sahiL
Lehraathaa hai aur masti mein
Mehtaab ka chehra choomthan hai
Mein seene mein tere saasein bhar leti hoon
Karwat karwat main tujh se lipatkar raat basarkar lethi
hoon
Mayya aaya mayya maayy
Seene see mere uthataa hai dhuwaan
Mayya mayya mayya maay
Deewar pe kya likhthaa hai dhuwaan
Dheemaa dheemaa dheemaa dhuwaan
Har baar yeh kyaa kehtaa hai dhuwaan
Mayya mayya ale a yeah yeah a yeah yeah
Ek saudaa raat kaa, ek kaudi chaand ki
Chaahe toh choom le, tu todi chaand ki
Ek megh ki kashthi mein chal paar utarna hai
Tu halke halke khenaa dariyaa na chalke
