(music by Nergal)

ascend as empires burn  
conquistadors ov the promised land  
like the sons ov Anak  
they shall rise from beyond the dawn  
rise as victorious trumpets call  
Chimera, Geryon and Thee oh Sphinx!  
accompanied by Mars  
Jupiter's rays in fearless eyes unrestrained

Astareth!  
bring forth the iron rain!  
Hekate!  
bring forth plagues on an ever falling race!

lead: Nergal

Thou shalt restore the splendor of Sodom  
personification ov Gommorah art Thou  
iron-willed marching on ahead  
with passion enraged threats torn asunder  
fill my veins with liquid iron  
armor chest and head with shining gold  
that I may shake th fragile earth  
may my will forever be unrestrained

Astareth!  
bring forth the iron rain!  
Hekate!  
bring forth plagues on an ever falling race!  
great architect  
charlatan ov fairy tales  
Thou hast failed  
since the hour bastard spawn  
who was vomited forth  
from a gasping wound ov a whore  
father forgive me not  
for I have sinned  
now tremble and fear  
and mercy have non upon me  
beggoten son I am not

adversary ov Thy love  
the outcast ov Thy paradise  
despised...

Nemesis!  
as one we stand!  
divide and conquer!  
and we shall own this fuckin' earth!

lead: Nergal  
lead: Seth
