Los del Romantiqueo  
Contando historias de amor  
Chino y Nacho

(Divino)

i have been told that u were saw on the street  
with a tramp (vagrant, vagabond)  
walking alone with a way to go  
tramp through the world  
carring a sorrow  
that kills and convinct u  
dragged in the sand  
with a deep bitterness  
tramp through the world

(Nacho)

what happened to me  
its that she left me  
with this pain (bitterness) that catches me  
it kills me and i die slowly  
slowly i cant avoid  
this face of sufference  
me muero lento  
lento...  
quitame o dame la razon amigo  
pero sin ella siento que mi vida  
se fue y no tiene ningun sentido  
yo solo rezo por volverla a ver  
que regrese aqui conmigo  
que me saque de esta condena  
que me tiene tan perdido  
el corazon herido  
no creo que vivir vale la pena  
lo que me paso

fue que ella me dejo  
con este dolor que me atrapa  
me mata y me muero lento  
lento no puedo evitar  
esta cara de sufrimientooo...

hooo...

i'm dieing slowly

slowly

Hooo...

if u knew that this happened to me too

and i'm still feeling it

i understand u

the bitterness is intense

it come out in the street

the rain falling

the sky is grey

this is the way i feel

i understand u

also kills me slowly

(Chino)

u are right

is very difficult suffering from love

always lose our heart

and the pain destroy us

the bitterness kills

what meantain u in this condition

where is your desire to continue living

tramp of love

(Nacho)

fue que ella me dejo

me mata y me muero lento

esta cara de sufrimientooo...

(Divino)
