You are my pride, you are my joy  
You are my sun, you are my light  
You make me feel so good inside  
You are the stars that shine at night

And the day that you came, I saw with my eyes  
The prettiest girl that came in our lives  
Makes me wanna stop, babe  
There's nothing like loving you

Rock-a-bye baby, don't you weep  
Daddy's gonna hug you until you sleep  
No one could ever give me what I feel for you  
The angels up in heaven know that I love you  
Daddy's gonna love you forever girl  
Keep you in my heart cause you are my world  
No one could ever give me what I feel for you  
Daddy's gonna love you

You came along and gave a smile  
Somehow I know it's all worthwhile  
I see the sparkle in your eyes, babe  
You came along and changed my life

He's gonna love you, rock-a-bye baby, rock-a-bye baby  
He's gonna love you, rock-a-bye baby  
Daddy's gonna love
