(skept)

23 hours on my left arm,  
19 hours on my right arm,  
42 hours on my torso,  
my nigga im calm,  
tell the police come get me, nigga its grievous bodily  
harm,  
mum said what about when you wanna get a 9 to 5 I  
told her I made it,  
in a white vest screaming, get ink now before you die  
naked,  
they say no alcohol before you get a tattoo but Im  
intoxicated,  
back in the tattoo chair touching up a tatt that looks  
kinda faded,  
now im in bed with the wife and all i can think about is  
how much im in love with a needle,  
funny noises at night in my house and it sounds like  
resident evil  
new tattoo on my chest so when i wear v-necks I rep my  
people  
im a true nigerian, let me put some more bepantham  
on my eagle  
london city on my belly, im facing my fears  
24/7 im getting inked up, them niggas are thinking of  
ideas  
ima take this pain until i pass out or i shed some tears  
doin it then, doin it now, doin it again il be doin it for  
years  
sexy, yeah

(chorus)

(chipmunk)
