

## Chipmunk "History"

Visit "[History](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I put my life in my words  
Then i put my words in my life  
Sacrificing my arm  
I guess its part of my life  
Even if i don't write  
And i do it all in my mind  
I never saw none of this coming  
And now its right before my eyes  
Close, ama keep em open  
Think to long and miss the moment  
I was told you might get one shot  
I said even if its blank ama pop, yeah  
And now i run the show  
I got the plat' but everything isn't gold  
My nicknames a hot topic on the road  
But truthfully i just wanna know  
Yeah

The day i pass away  
Will you let my name pass away  
And jump on to the next craze  
Ama carve my name, in them history books  
So you can see how history looks  
The day i pass away  
Will you let my name pass away  
And jump on to the next craze  
Ama carve my name, in them history books  
So you can see how history looks  
History looks  
History looks  
History looks  
History looks

(Wretch 32)  
I gave my life to the game  
And never got a death jam  
Time goes forward but there's set backs  
Its like i took a step forward and leant back  
And watch the scene fly past with there jet packs  
But i got love for everyone of them artists  
Were in the same race  
Its whoever runs smartest

Heh, I never feel like I'm drowning  
Music makes me fly and my friends keep me grounded  
Shh, only the best I'm surrounded  
Were all on board  
Like chess to a crown king, heh  
Were all aiming for the top  
The best albums, the outcome. we all gotta drop  
Yeah, but we ain't all gonna flop  
If united we stand in our Bennett and crops  
The sediment rocks  
We'll be here forever  
Legends don't die, they get remembered

The day i pass away  
Will you let my name pass away  
And jump on to the next craze  
Ama carve my name, in them history books  
So you can see how history looks

The day i pass away (yeah)  
Will you let my name pass away  
And jump on to the next craze  
Ama carve my name, in them history books  
So you can see how history looks

The day i pass away (yeah)  
Will you let my name pass away  
And jump on to the next craze  
Ama carve my name, in them history books  
So you can see how history looks

The day i pass away  
Will you let my name pass away  
And jump on to the next craze  
Ama carve my name, in them history books
