In the beginning we are seeing we are
Every gyal i'm on said
In the beginning we are seeing we are
Every gyal i'm on said

There ain't a bulletproof needed for none of these
shots
Or can i get a from the front
Swagga turned all the way up,
No sparkles on that champagne cause we don't give a
fuck
Heaven sent bring in hell too
She smelling my neck that's channel blue
Table full of goons, still
Do they smile gully side boo
But everybody's cool,
She said she's got a man a mister break the rules
Might just imagine all the things that we can do
That you're well dress so
Face looking all sweet,
Grinding on me like she looking for a beat
â€¡ Every gyal ya mad ova ,colder

In the beginning we are seeing we are
Every gyal i'm on said
In the beginning we are seeing we are
Every gyal i'm on said

Gyal i tell off nigger, i'm mad,
And them balls to coming on me apartment
She said my swagga's so alarming

I told her wait i miss you tossed in
Let's go, all eyes are on we
Played out for the team,
Are these true religions, no, laguna beach
I'm 6 4 she something sweet
And yeah i'm kinda famous, what we call gully green
Cool dude, so sour, she got a crystal like a gold bottle
She whispered in my ear she wants me in her archive
So i told her back you up, hard drive
Face looking all sweet,

Grinding on me like she's looking for a beat
Radio sober, every gyal ya mad ova

In the beginning we are seeing we are
Every gyal i'm on said
In the beginning we are seeing we are
Every gyal i'm on said

Then ladies, they love me, they love me
I'm the youngest general,
Criminal, because my booties
Chipmunk, bring the together style
I'm a soldier, and a fucking

In the beginning we are seeing we are
Every gyal i'm on said
In the beginning we are seeing we are
Every gyal i'm on said
