Ladies and gentleman may I present  
The heavy weight champion of the world straight out of  
the UK -  
the infamous Chipmunk.

[Verse One - Chipmunk]

Yo, Yo I'm the talk of the town  
I'm who the UK's talking about,  
Said I wouldn't move up and now what I've moved up  
What other dem who's talking to me now  
Like who, What, When, Who's talking me now  
Everyday somebody's calling me out  
Proved I'm above, Ima do what dey does  
I'm actually buzzing, I'm locking it down

Clown, who's hot for me now  
Older or younger, I'm taking them out  
On top where I'll be taking them down  
Man lower levels with clouds  
Sekkle me how. If you ain't heard then ask around  
Chip don't bring any mc's sending  
None of them dollars got shit on this town  
But know if it's cheddar, I'm down, CLOWN

[Chorus]

I float like a butterfly, sting like a bee  
I'm Mohammed Ali the mc  
Uk to the west, you can't test me  
Just ask around town, and they know who I be

I float like a butterfly, sting like a bee  
I'm Mohammed Ali the mc  
Uk to the west, you can't test me  
Just ask around town, and they know who I be

[Verse Two - Chipmunk]

Yo, I built my name as a brand,  
Wa-happen for them still - as fan  
I took a lil break after a league of my own  
Now it's album time  
I'll be back with a bang

B..bang yes, yes Ima dan, if dey can't do it then  
Chipmunk can  
But if you can't see 5,000 plays in a day then Shuu Yur  
Mouth!
