I'm power trip on the long way road  
Like kid whatever I say goes at  
Means whatever I say moves and trust me  
I do this, bee what's this ? ..  
They say prove it ... put it out sweet  
... from the streets so you know what I ain't should be  
Only kiss in my though, on my teeth  
Speculations about my .., I'm what I'm making, kickin  
Like .. is what the ..is, what the .. was,  
I'ma .. club .. expressing my force is roll on em  
Too ..strongest take enough  
And I don't care what anybody thinks,  
I could tell the .. on a drink.

Chorus:

I'm on a power trip to the place where I go  
I'm feeling .. and strong, and I don't care ..  
I'm on a power trip to the place where I go  
I'm feeling .. and strong, and I don't care ..

It cool me mainstream, I'm not safety,  
It's a great stream, you should roll up

It's not the though .., for the taking,  
Down to you to take it, down to you to prove it,  
Down to you to do this, to the ... to the underground  
So much you know what every tube is,  
Came so .. some .. down to you, play victim or play ..  
Me I play ... I don't promote .. if you must so,  
But I've been ..shit, I wish I never ..  
Even on my worst birth, they know my birth place,  
Yeah and I.. my precision, so I believe you my jeans  
True addiction, I know where I'm from son listen  
But I know where I'm .. come vision.

2 x Chorus:

I'm on a power trip to the place where I go  
I'm feeling .. and strong, and I don't care ..  
I'm on a power trip to the place where I go  
I'm feeling .. and strong, and I don't care ..

[Chorus:]
