And furthermore, my dear friends  
What this country needs  
Is a great leader, me  
I promise you two bicycles  
In every garage

(Hey Simon, Theodore  
What's he doing)

He's running for President  
Yeah, president

Really, well now  
Isn't that... PRESIDENT! ?

(Did you call me)

Alvin, you can't be President  
(Why) why, because you're too young

(And in addition to)  
Alvin, be quiet and sing our new song  
Now here are the words

It's nice (it's nice)  
It's good (it's good)  
When you live like you should  
(When you live like you should)  
In peaceful harmony  
(In peaceful harmony)

Take our (take our)  
Advice (advice)  
The way we live is nice  
(The way we live is nice)  
In peaceful harmony  
(I hope you vote for me)

Now quit that, quit it  
We're so (we're so)  
Polite (polite)  
We hardly ever fight

(We hardly ever fight)  
We live in harmony  
(We live in harmony)

That's better  
Don't care if we live in a tent  
(Don't care if we live in a tent)  
Just as long as we pay the rent  
(Just as long as I'm your president)

It's nice (it's nice)  
It's good (it's good)  
When you live like you should  
(When you live like you should)  
In peaceful harmony  
(In Washington D.C.)

Stop changing the words  
(And with me in the White House)  
ALVIN!

And another thing, dear friends  
Why shouldn't we have  
A penny ice cream cone  
(Uh, I don't know)  
Theodore, you can  
Be my campaign manager  
(Oh, boy, your honor)  
And Simon, I believe  
I'll make you vice president  
(Why not)

Mr. President, will you  
And your cabinet kindly sing  
(Don't care if we live in a tent)  
(Just as long as Alvin's president)  
(That's me)

(He's nice, he's good  
Send Alvin, yes, you should  
To Washington D.C.)

And in conclusion, dear friends  
(Alvin, will you...)  
I am certain that you  
Will elect me the next President  
Of the United States of America

We want Alvin, we want Alvin  
We want Alvin, we want Alvin...
