Hey, fellas

Why don't you tell the kids about your ice cold friend?

Alright

Frosty the Snowman

Was a jolly happy soul

With a corncob pipe

And a button nose

And two eyes made out of coal

Frosty the Snowman

Is a fairytale they say

He was made of snow

But the children know

How he came to life one day

There must have been some magic

In that old silk hat they found

For when they placed it on his head

He began to dance around

Ohh, Frosty the Snowman

Was alive as he could be

And the children say

He could laugh and play

Just the same as you and me
Frosty the Snowman
Knew the sun was hot that day
So he said, "Let's run
And we'll have some fun
Now before I melt away"
Down to the village
With a broomstick in his hand
Running here and there
All around the square
Saying, "Catch me if you can"
He led them down the streets of town
Right to the traffic cop
And he only paused a moment when
He heard him holler, "Stop"
Oh, Frosty the Snowman
Had to hurry on his way
But he waved goodbye
Saying, "Don't you cry
I'll be back again some day"
Thumpety, thump, thump
Thumpety, thump, thump
Look at Frosty go
And he waved goodbye
Saying, "Don't you cry

"I'll be back again some day"
