Have yourself a merry little Christmas

Let your heart be light

From now on our troubles will be out of sight

Have yourself a merry little Christmas

Make the Yuletide gay

From now on our troubles will be miles away

Here we are as in olden days

Happy golden days of yore

The faithful friends who are dear to us

Gather near to us once more

Through the years we all will be together if the fates
allow

Hang a shining star upon the highest bough

And have yourself a merry little Christmas now

Here we are as in olden days

Happy golden days of yore

Faithful friends who are dear to us

Gather near to us once more

Through the years we all will be together if the fates
allow

Hang a shining star upon the highest bough

And have yourself a merry little Christmas

Have yourself a merry little Christmas

Merry little Christmas now
