Jingle bell, jingle bell, jingle bell rock
Jingle bells swing and jingle bells ring
Snowing and blowing up bushels of fun
Now the jingle hop has begun
Jingle bell, jingle bell, jingle bell rock
Jingle bells chime in jingle bell time
Dancing and prancing in Jingle Bell Square
In the frosty air
What a bright time, it's the right time
To rock the night away
Jingle bell time is a swell time
To go gliding in a one-horse sleigh
Giddy-up jingle horse, pick up your feet
Jingle around the clock
Mix and a-mingle in the jingling feet
That's the jingle bell rock
It's a bright time, it's the right time
To rock the night away
Jingle bell time is a swell time
To go gliding in a one-horse sleigh
Giddy-up jingle horse, pick up your feet

Jingle around the clock
Mix and a-mingle in the jingling feet
That's the jingle bell rock
Christmas is coming
I just want to be with you
Nothing else that I could do
I'm wrapping myself up with you
Don't you know it's Christmas?
And I want you baby, by my side
Giddy-up jingle horse, pick up your feet
Jingle around the clock
Mix and a-mingle in the jingling feet
That's the jingle bell rock
Yeah, that's the jingle bell rock
That's the jingle bell rock
Yeah, break it down for 'em real quick
It's Christmas baby, and I been waiting
You're all I need, I need, I need
