Ohhh whooaa

If you can't find your way look for me

Mr Munk

Oooooooooooooooooo

'You can't find your way look for me

[Chipmunk]

God bless

Oh yes

And once he goes I'm next

So young

So fresh

So right like I don't know left

And I aint trying to be the R E S T

Replace the R and throw me a B

So don't spend ya life trying to find

Something that's in front of your eyes

[Talay]

You can spend a whole life time trying to find the
answer

I'll be right here with a helping hand out for you

Ooohhh Ooohhh

And if you can't find your way

Look for me

Look for me

Look for me

Look for me

Look for me

If you can't find your way

Look for me

Look for me

Look for me

Look for me

Look for me

If you can't find your way look for me

Ohhh Whooahh

[Chipmunk]

Look for me
And I'll be there
Aint no weave I'm really hair
A wise man told me persevere
To elevate me in my career
So still I'm here
And from my position
The birthday wishing they woulda blew if they woulda
listened
And now were gone (they're gone) they're missing (big
loss)
Big Difference.
So don't prey me
Ask wassup like you can't see me (I'm at the top)
I just do what needs be
Holla at me if ya need me

[Talay]

You can spend a whole life time trying to find the
answer
I'll be right here with a helping hand out for you

Ooohhh Ooohhh

And if you can't find your way
Look for me
Look for me
Look for me
Look for me
Look for me

If you can't find your way
Look for me
Look for me
Look for me
Look for me
Look for me

If you can't find your way look for me

Ohhh Whoaaa

If you can't find your way look for me

[Chipmunk]

Look for me
See I'm the one to look for
You aint gotta look far
Look forward
I'm there
Prey da light, the clothes fit clothes prey the swaggers

I work hard like stuff the haters
Took all the stairs no escalators
And my pen kept on passing papers
When another artists wouldn't pass a favour
Cold When I Needed One
I'm a Star how you feeling son?
Trying to keep bringing them hits
Cause my dreams got legs so I'm chasing it

[Talay]

You can spend a whole life time trying to find the
answer
I'll be right here with a helping hand out for you

Ooohhh ooohhh

And if you can't find your way
Look for me
Look for me
Look for me
Look for me
Look for me

If you can't find your way
Look for me
Look for me
Look for me
Look for me
Look for me

Ohhh whooaah

If you can't find your way look for me

Ohhh whooaah

If you can't find your way look for me
