Only you can make this world seem right  
Only you can make the darkness bright.  
Only you and you alone  
can thrill me like you do  
and fill my heart with love for only you.

Only you can make this change in me,  
for it's true, you are my destiny.  
When you hold my hand,  
I understand the magic that you do.

You're my dream come true,  
my one and only you.

everytime she walks by I can't stop staring

hooked on her looks and that smile that she's wearing  
she looks at me and I freeze, I can't go on  
unless it's with you girl, cause you are the one, i got  
so much to give, long as i live you're my only  
one thing I cant stand's the thought of you lonely, so  
open up your eyes, realize my love is true  
and it's meant for o-only you

Only you and you alone  
can thrill me like you do  
and fill my heart with love for only you,  
Only you
