Midnight  
And I'm waiting on the twelve-o-five  
Hoping it'll take me just a little farther down the line  
Moonlight  
You're just a heartache in disguise  
Won't you keep my heart from breaking if it's only for a  
very short time?

Playing with the Queen of Hearts  
Knowing it ain't really smart  
A joker ain't the only fool  
Who'd do anything for you  
Laying 'round wastin' time  
Thinking 'bout a life of crime  
If that's what I have to do  
To keep me away from you

Honey  
You know it makes you mad

Why is everybody tellin' everybody what who has done  
Baby  
I know it makes you sad  
But when they're handin' out the heartaches you know  
you gotta have you some

(REPEAT CHORUS)

Lovers  
I know you've had a few  
You hide your heart beneath the covers while you tell  
them they're the only one  
And others  
They know just what I'm goin' through  
And it's so hard to be your lover when you say you're  
only for fun

(REPEAT CHORUS)
