Sometimes in life you fall apart
Sometimes in life you'll break your heart
One day you'll realize that you'll be alright

Have you ever trusted someone that left you on your
back(yeh)
Love someone that just never loved you back?(that's
my man)
Ever lusted suttin you can't have (yeh)tryna live right
just put the devil on your back (too right)
I'm so young but lifes so nuts (so nuts)
Come across a couple of two faced cunts (believe)
Come across a couple of gold diggin sluts (little slags)
But I don't even drop them a nut(nar)

Do you ever wake up like, why do I work for? (yeh)
I'm worth a lot more than I work for (everyday)
Just saving up for somethin you can't afford (stress)
But havin it's such lovely thought (yes)
Ever warred wit ya closest of people (family)
Over the root of all evil (money)
Sometimes I think my lifes worthless
Besides spttin bars what is my purpose?

Sometimes in life you'll fall apart
Sometimes in life you'll break your heart
One day you'll realize that you'll be alright
X2

Sometimes I just fall to cry (cry)
Thinkin of my loved ones that died
Bare red letters on the fridge
Water in my fams eyes (mummy)

Thinkin how I'm gonna make it right
Everything will be alright (or will it?)
Then again it might not be (nar)
And from the ones who live there life properly (believe)
It's funny that they looking up to chip (uhh)
But chip feels to jump of a bridge

But fly not die (I swear)

Cause I don't think I'm suicidal
Slim Shady cheap teenagers new-acidal (heads up)
But sometimes I need my own space
But everybody all up in my face
Managements on my case
Yeah I like getting paid (who doesn't)
But I don't wanna interview today (or tomorrow)
Thers only so much my mind can take
And my end's with the friends two phase & Snakes
(yehh)

Sometimes in life you'll fall apart
Sometimes in life you'll break your heart
One day you 'll realize that you'll be alright
X4
