Oh whoa oh oh oh oh oh oh  
Oh whoa oh oh oh oh oh oh (C.M)  
Oh whoa oh oh oh oh oh oh  
Oh whoa oh oh oh oh oh oh  
Check

If I had all the money in the world  
I still couldn't buy me a brand new girl (you can't buy  
love)  
Too much clubbing, not enough loving  
Too much shopping, too busy chasing the skrilla  
And know look I lost me a winner  
Sitting there singing this song like  
You never know what you've got 'til it's gone like

Damn, I wish I would've seen it coming  
Cause I blink for a second and you caught me slipping,  
Oh, Oh, Oh  
Now we're done before we even started  
Didn't know how much I missed you  
(Didn't know how much I would miss you  
I messed up the perfect picture)  
Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone  
I didn't know how much I missed you  
Oh whoa oh oh oh oh oh oh  
Oh whoa oh oh oh oh oh-oh

Let me go, Yeah

And look still I'm here  
She left me with no idea  
I just don't get it, it's kinda weird  
How you took off quicker than my career. it's kinda rare  
For a man to admit when he's in the wrong  
Still can't do it, I just put it in a song  
So don't correct me, I know that I'm wrong  
(I just need love)  
I'm too stuck in my ways,  
And I know this ain't helping me change  
And I'm sitting here singing this song like

You never know what you've got 'til it's gone like

Damn, I wish I would've seen it coming  
Cause I blink for a second and you caught me slipping,  
Oh, Oh, Oh

Now we're done before we even started  
Didn't know how much I missed you  
(Didn't know how much I would miss you  
I messed up the perfect picture)  
Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone  
I didn't know how much I missed you  
Oh whoa oh oh oh oh oh oh  
Oh whoa oh oh oh oh oh-oh (Whoaa)

Let me go, Yeah

I'm too stressed and I'm trying not to flip  
I close my eyes and you're inside my lids  
So I try not to blink for one split sec  
Cus showboating, and got my ship wrecked  
Since you left, nothing ain't right  
Two different waves, we have to part tides  
I had a long sighted vision, It ain't the same with you  
missing  
Didn't know how much I missed you until you were  
gone, gone, gone

Until you were gone, gone, gone  
Until you were gone, gone, gone  
Until you were gone, gone, gone

I didn't know how much I missed you  
(Didn't know how much I would miss you  
I messed up the perfect picture)

Damn, I wish I would've seen it coming  
Cause I blink for a second and you caught me slipping,  
Oh, Oh, Oh

Now we're done before we even started  
I didn't know how much I missed you

Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone  
Until You Were Gone, gone, gone
