You spin me right round, baby  
right round like a record, baby  
Right round round round  
You spin me right round, baby  
Right round like a record, baby  
Right round round round

Yeah I, I got to know your name  
Well and I, could trace your private number baby  
All I know is that to me  
You look like you're lots of fun  
Open up your lovin' arms  
I want some

Well I...I set my sights on you  
(and no one else will do)  
And I, I've got to have my way now, baby  
(and no one else will do)  
And I, I've got to have my way now, baby  
All I know is that to me  
You look like you're havin' fun  
Open up your lovin' arms  
Watch out, here I come

\*You spin me right round, baby  
right round like a record, baby  
Right round round round  
You spin me right round, baby  
Right round like a record, baby  
Right round round round

I, I got be your friend now, baby  
And I would like to move in  
Just a little bit closer  
(little bit closer)

\*\*All I know is that to me  
You look like you're lots of fun  
Open up your lovin' arms  
Watch out, here I come

[\*Repeat]

I want your love  
I want your love  
[\*\*Repeat]

[\*Repeat and fade with ad lib]
