Verse 1:

(Rach-I)

I just wanna thank you
For being a friend
Together we made it
Together we stand

All the times we've been blessed
Those times were the best

(Peter)

You give me the good times
We always have fun
You followed me true from
The day we begun

Though it's time to go on
I won't leave you alone

Chorus:

Ne ver saying goodbye to you
Cause I'm coming back for more
And that is for sure
I will always be there for you
I'll be singing and dancing
I swear I do
You're the best
There is no one like you

Verse 2:

(Cilla)

I wish that it wasn't
The end of the show
You gotta remember
That I never let go
Make a promise to you
I'll be seeing you soon

(Kevin)

The lights will go down

But you're not out of sight
Bringing a new song
With you on my mind

Though it's time to go on
I won't leave you alone

Chorus:
Never saying goodbye to you
Cause I'm coming back for more
And that is for sure
I will always be there for you
I'll be singing and dancing
I swear I do
You're the best
There is no one like you

verse 3:
I'll be missing, reminiscing
Always remember
We together, feeling better
Better than when I'm by myself

Oh

Chorus:
Never saying goodbye to you
Cause I'm coming back for more
And that is for sure
I will always be there for you
I'll be singing and dancing
I swear I do
You're the best
There is no one like you
Saying goodbye to you
Cause I'm coming back for more
And that is for sure
I will always be there for you
I'll be singing and dancing
I swear I do
You're the best
There is no one like you
