even if its only one day
say im your no one

i've been watching you boy
every move that you make
now i know in my heart that you got what it takes
the way you making me feel
you fill my body with heat
now i know that it's sure that you got what i need

the way you watching me it really gets my fantasy
so keep on looking baby on and on

(chorus)
say im your no 1
and we will have some fun
i just wanna hear you say (i wanna, i just wanna)
say im your no 1 and i'll shine like the sun
even if it's only one day (oewaha)
say im your no 1

now whatever i do
heading straight for my door
it feels good but i think i am losing control
your the one that i want
if you commit my tears
you will know baby you have got nothing to fear
just turn around and see cause you're the only one for
me
so come on baby show me love

(chorus)
say i'm your no 1
and we will have some fun
i just wanna hear you say (i wanna, i just wanna)
say i'm your no 1 and i'll shine like the sun
even if it's only one day (oewaha)

(chorus)
say i'm your no 1
and we will have some fun
i just wanna hear you say (i wanna, i just wanna)

say i'm your no 1 and i'll shine like the sun
even if it's only one day

you're running around
moving in circles
how will i know if she loves me
my life is just such a story
it's luck will change
to turn a new page

the way you're watching me it really gets my fantasy
so keep on looking baby on and on

(chorus 2x)
