City papers blow around me  
As the mornin' hits the sky  
On the ocean ships are waitin' high  
So am I

City sweeper goes around me  
He don't need no reason why  
If I don't seem in a hurry now  
I've arrived

Come on baby won't you save me  
Turn this water into wine  
Love, emotion, like an ocean  
How can I hold back the tide

Baby meet me on the corner  
When you hear that whistle blow  
If I don't seem like I oughta  
The one you used to know

Come on baby wont you save me  
Turn this water into wine  
Love, emotion, like an ocean  
How can I hold back the tide

I'm on high ground  
Put this weight down  
Of one thing you can be sure  
On the ocean ships are sailin'  
But I dont need them anymore

Come on baby won't you save me  
Turn this water into wine  
Love, emotion, like an ocean  
How can I hold back the tide

Come on baby won't you save me  
Turn this water into wine  
Love, emotion like an ocean  
Turn this water into wine
