"Because you are

Yeah yeah

You're one of a kind  
They don't know why, they tell you  
Your type's hard to find  
And in your heart you know it's true

Somehow you're not sure (now)  
Oh, is this difference good or bad?  
You're so insecure (now)  
You think oh what you wish you had.

(Oh what you wish you had)

You'll open your eyes  
You'll get a grand surprise  
You'll be a star  
Because you are  
Because you are  
Beyond the horizon  
The future's far away it seems  
Just when you think you're done  
You'll, discover the value in your dreams

Begin at the start (now)  
You learn to overcome your fear  
Simply follow your heart (now)  
You'll find it pays to persevere

(Pays to persevere)

You'll open your eyes  
You'll get a grand surprise  
You'll be a star  
Because you are  
Because you are

Yeah yeah
