### Bittersweet Affections

Tonight We'll see  
If you and I are meant to be  
Tonight we'll share  
A place love only takes us there

You wonder why  
The truth is stranger than any lie  
I know its rough  
When love can't make us strong enough

Strong enough baby, (yeah)

Sometimes in a distant land  
I know we cannot understand, yeah  
I ask the stars above  
What made us fall in love?  
Love is like a lullaby  
It drops you down it brings you high, yeah  
All we do is stare above  
And wonder how we fell in love

Tonight we will complete  
Our love that seems so bittersweet  
All love is give and take  
So lets not make a big mistake

You wonder why  
We sleep beneath the autumn sky

You think its rough  
That love can't make us strong enough

Sometimes in a distant land  
I know we cannot understand, yeah  
I ask the stars above  
What made us fall in love?  
Love is like a lullaby  
It drops you down it brings you high, yeah  
All we do is stare above  
And wonder how we fell in love

Why did we fall in love, baby, why yeah why?

Ohh! Yeah!

Sometimes in a distant land  
I know we cannot understand, yeah  
I ask the stars above  
What made us fall in love?  
Love is like a lullaby  
It drops you down it brings you high, yeah  
All we do is stare above  
And wonder how we fell in love

Yeah yeah  
Yeah yeah  
Yeah yeah
