Black haired witches
Bitches with their goats
Black robes and candles
Rituals can begin!
City of lust
Incest and brutality
City of sin
Pleasures so sweet
City of hell
Born to deviation
City of Sodom
I await my death!
Pagan gods dwell
Within the city walls
Satanic dominion
Darkness prevails
Naked bodies fuck
Fornicate on christian altar
Living in eternal lust
Sodomites and blasphemers
Sinning sex, bestial rape!
Sadomatic rites,
Agony and pain, paradise lost,
Sadomatic rites,
