"The Gate Of Nanna"

The dream descends to the region of moon
To the land, the sphere of eternal sin
A half light, dark the realm of Nanna
The realm of spirits and the father of the gods
Oh, shine of moon, of the astral gods
It ravishes, it calls us to sin...
Lord Nanna, of the race of Anu
Lord Nanna, called sin
Lord Nanna, o hero of the gods
Lord Nanna, the gate of sin...
Ave Satan, Ave Lucifer, Ave Satan, Alla Xul
Ave Satan, Ave Lucifer, Ave Satan, Gigim Xul
Sleep...
